Hill County Courthouse (TEX-138)

Public Square-Waco, Elm, Covington and Franklin Sts. Limestone, rock-faced, 92'6" square, three stories, gabled entrance pavilions at each side and mansarded corner pavilions, richly carved pilasters, entrance arches and window trim. Symmetrical plan. The central, three-stage clock tower is typical of the designs of W.C. Dodson, a Waco architect who designed at least a dozen Texas courthouses. The \$83,000 contract was awarded to (over) ✓
